## OBJECTIVE SUMMARY

With many skills, self-teaching abilities and a motivation to continue learning, I can take on any type of task and excel. I am always maximizing effort and working hard to improve myself and cope with the changing conditions of the workplace.

## EDUCATION

Holy Trinity Secondary School — Oakville, Ontario
Ontario Secondary School Diploma — September 2018 - Present

## WORK/VOLUNTEER EXPERIENCE

Math and Science Tutoring — Oakville, Ontario
- Enrolled in a volunteer program to help younger students with academic struggles. — November 2018 – June 2019

Part Time Personal Computer Programming — Oakville, Ontario
- Started my own service to program applications and sell to online clients. — February 2019 – Present

Volunteer Computer Programming Assistant — MCC, Mississauga, Ontario
- Volunteered to assist in teaching a computer programming class. — May 2019 – Present

Computer Programming/Coding Instructor — MCC, Mississauga, Ontario
- Worked to teach and create computer programming material for a class of ~15 students. — May 2019 – Present

## SKILLS AND QUALITIES

Communication Skills
- Able to listen and communicate with body language either to costumers or colleagues. I possess the ability to follow directions and provide excellent service.

Computer Skills
- Fluent in editing and creating documents in any platform. Much experience due to programming and coding computers.

Flexibility
- Able to react quickly to the changing conditions and environment of a workplace. Also, available flexible hours during the week.

Work Ethic
- Always on time and prepared, able to meet people's expectations and deadlines, as I am determined and persistent.

## ACHIEVEMENTS

Lifeguard Bronze Star with CPR 'A' and Lifeguard Bronze Medallion with CPR 'B' — August 2017 & June 2018
