<ul style="list-style-type: none">Worked to teach and create computer programming material for a class of ~15 students.	May 2019 – Present

SKILLS AND QUALITIES

Communication Skills

- Able to listen and communicate with body language either to costumers or colleagues. I possess the ability to follow directions and provide excellent service.

Computer Skills

- Fluent in editing and creating documents in any platform. Much experience due to programming and coding computers.

Flexibility

- Able to react quickly to the changing conditions and environment of a workplace. Also, available flexible hours during the week.

Work Ethic

- Always on time and prepared, able to meet people's expectations and deadlines, as I am determined and persistent.
